COULTHURST'S RECORD.

The Kind of a Man the Independence League Candidate is as Shown by His Votes in the Legislature.

Coulthurst introduced a bill on his own petition providing for a five-cent fare on railways within the city limits of Boston. Through his efforts the five-cent fare within the city limits was finally established.

Voted for a bill regulating the number of freight brakemen on trains. The railroads fought this bill.

Voted for municipal ownership and operation of street railways.

Voted for the bill making two cents a mile the maximum rate on railroads in Massachusetts.

Voted for popular election of United States Senators.

Voted for the bill requiring the New Haven, the Boston & Maine and the New York Central railroads to furnish a list of passes issued by them. The railroads killed the bill.

Voted for a bill permitting the people upon petition by 25,000 voters to pass upon any measure pending before the Legislature.

Was absent when the picketing bill was voted on in 1902. After the House had refused a third reading to the bill by a vote he came into the chamber and begged to be recorded in favor of the bill. He was not permitted to be so recorded. The next year, 1903, he voted for the picketing bill. He voted for it again in 1904.

Voted for reciprocity with Canada.

Voted in favor of a bill to authorize additional work on State highways in times of industrial distress.

Voted and worked for the overtime bill for three years while a member of the House. Frankly confesses his mistake in voting to uphold the Governor's veto.

Voted for the bill shortening the hours of labor for members of five departments in cities of more than 40,000 inhabitants.

Voted to establish emergency funds for the employment of labor in times of distress.

Voted for a bill to regulate the hours of nurses in public hospitals.

Voted for municipal coal yards during the coal famine.

Voted to investigate the Telephone Trust.

Voted for bill to compensate owners of real estate damaged by the elevated railroad.

Voted for a bill increasing to \$25,000 the amount that can be recovered for deaths in railroad accidents.

Voted to preclude from public works persons who do not declare their intentions of becoming citizens of the United States.

Voted for old age pensions.

Voted to pass over the Governor's veto a bill to provide evening court sessions for naturalization purposes.

Introduced a bill to provide cheap train service on railroads in the suburban district during workmen's hours.

Voted for a bill to restore competition in gas and electric lighting.

Voted for government regulation of coal mines, but not for government ownership. This attitude is exactly in line with the attitude of the American Federation of Labor.

Voted for the construction of a public bathhouse at Nahant Beach.

Voted for election law proposed by Mayor Patrick A. Collins.

HIBBARD'S RECORD.

The Kind of a Man the Republican Candidate is as Shown by His Votes in the Legislature.

Hibbard voted against the bill to have the street railway monopoly in Boston have transfers paid on connecting cars.

Voted against the bill to regulate the hours of women and children in factories. Voted to reject the bill; voted against its enactment; voted against reconsideration of the refusal to enact it. Was against it all the time in every way.

Voted against a bill providing greater safety for railroad employees.

Voted against a bill to prevent the false impersonation of voters. This bill would have prevented repeating at elections. It was not a party thing.

Voted against a bill for the relief of Boston fire department employees.

Voted against the bill making eight hours a day's work for State, city, county and town employees.

Voted against a bill for the better protection of grade crossings.

Voted against a bill making nine hours in twelve consecutive hours a day's work for street railway employees.

Voted against a bill permitting voters in cities to pass laws by direct vote.

Voted against a bill relating to the purchase of gas and electrical plants by cities and towns.

Voted in favor of the street railway corporations against a bill apportioning the expense of laying out, altering or widening streets upon which electric cars run.

Voted to sidetrack to the next Legislature a bill asking the Legislature to inquire how many hours the railroads worked their employees.

Voted not to let cities and towns manufacture their own gas and electricity.

Voted against labeling and marking convict made goods.

Hibbard always and invariably voted for the corporations and against the wage earners.

DIES ON WALK IN WOODS HE LOVED

Stricken while wandering in the woods, the death of George Edward Davis, one of the leading authors of the time, was announced by the death of a man who had been suffering from an attack of heart disease while out for a walk with his children in the woods of the Westford road near his home.

Mr. Davis, who was seventy-four years of age, was the victim of an attack of heart disease. The death of a close friend, Louis M. Underwood, professor of botany at Columbia University, recently, disturbed him greatly. The attack of heart disease was brought on by the climb up the steep hill leading to his home.

Mr. Davis was found by his wife, Mrs. Davis, who was walking with him at the time.

PHILADELPHIA, Nov. 30.—All the nation is interested in the result of the annual football struggle between Yale and Princeton from Annapolis and West Point today, and with the leading lights of President Roosevelt's administration looking down upon their efforts to win the future admiral and general are expected to put up a grilling scrap which will test anything in the history of the yearly contests.

The seating capacity of Franklin Field of 25,000 is inadequate for all who would like to see the game, and as admission is entirely free there will be many disappointed ones.

In the thirteenth century the Yale and Princeton football game was the most famous in the world. It was the first time that the game was played in the United States, and it was the first time that the game was played in the United States.

Betting Favor West Point.
 The betting is evenly even. It would be hard to find odds of 20 to 1 in either team. There is a good deal of betting on the game, and it is expected that the game will be a close one.
